## Instruments of Change

Your PC, \_\_\_\_\_, is a member of the Cabal of Shadows Obscura known as the Instruments of Change; dedicated to evangelizing the name of the Traveler and converting others to his path of chaotic change. In particular, the Instruments of Change believe that the new age spoken of in the holy *Caldyn Fragments* is one in which the Dark Six will rise to prominence and in order for this to happen, the Traveler, or some divine representative of his, must be physically brought into the world to reshape it in his own image. The Instruments believe it is their purpose to awaken this dark chaos so that the world can be remade.
