DRAG1-5 WHITE FLOWER FALLING

DRAG09 In Trouble with the Wei

Through irresponsible and undignified behavior while in their service, the PCs have offended the Neng of Nathlekh. If the DM deems it appropriate, this may affect any social dealings they have with the noble Shou clans of Nathlan.

DRAG10 Alchemist's Friend

For saving his business and livelihood, the PC may find whatever alchemical supplies he needs at the Mak Won Emporium, whenever they are in Nathlekh, but must still pay the normal costs associated with purchasing them.

DRAG11 Blessing of Tymora

For restoring balance to the fortunes of Tymora's children in Nakleth the PC is blessed by the hand of Tymora herself. Followers of Tymora sense she favors the character and treat the PC with respect. Tymora's attention is fickle though and might abandon your character at the most unexpected moment.
