MOONI-5 Lost Love

MOON10 Keeper of LeShanna

(Only a PC who underwent the Keeper of LeShanna ritual during the adventure can earn this reward).

You have undergone a ritual that binds LeShanna to Moonshadow Mansion. As a result of this ritual, your pupils are now shaped like a spider (if you had no pupils, you now have some that are light purple). Though there is no innate bonus or penalty for this, some people may react positively or negatively to this. Should you die for any reason, the bonds that bind LeShanna weaken. Each time you die, check in one of the boxes below.

MOON11 Moonshadow's Research

You have studied the many notes, loose scrolls, side notes and other material Moonshadow was going to compile into his grand codex. Those notes, although more detailed about the Island of Alaron in the Moonshaes, can be used elsewhere. When you conduct research about other planes, inform your DM that you have done this research.

This reward either counts as Part 1 or Part 2 of the *Lost Fey Gates of the Sea of Swords* major quest.

Indicate if this PC was given a specially-made locket by LeShanna during the adventure by checking one of the two boxes below.
